

M4P Scholarship Application Form

Please tell us briefly why you are applying so that we are able to make a decision based on the strength of your application. In cases of equal merit, we reserve the right to award the scholarship depending on the balance of our courses.

All Scholarships:

We are basing our choice for these scholarships on the following 3 criteria:

1. You may be applying for financial reasons because you will not be able to afford coming to Summer School without financial help. We are not asking for a breakdown of incomings or outgoings. A statement saying that you are unwaged / a student / a pensioner / have dependents etc. with some explanation would be adequate to satisfy this criterion.

2. We are also looking to award the Scholarships to you if you make an active contribution to music in your local community. Please tell us about this:

3. Please also tell us what you wish to achieve / take forward following the Summer School.

Please continue on a separate sheet if you wish.
